Year 9 Visit to Wintershall

On Tuesday 29th June a group of 12 Year 9 students accompanied by Mrs Turner and Mr Bedingham, attended the 'Life of Christ' outdoor play at Wintershall near Guildford.

Here's what some of the Year 9s thought of it:

'It was fun and very realistic. The beginning was very dramatic! The weather was great and we all had an amazing time.'

'It was amazing and fun being pulled into the play because we were part of the crowd following Jesus.'

'It was brilliant and surprisingly realistic. It taught me a lot and was an experience I won't forget.'

Chaplaincy Corner - Celtic Prayers by David Adam

In your caring for others, God cares for you.
As you give your life to others, God gives himself to you.
As you pour out your love, God pours his love into you.
God bless you and guide you.
God strengthen and refresh you.
God give you courage and hope,
so that his deep loving care is revealed through you.

God created order out of chaos.
God brought light out of darkness.
God made all things from nothing.
God breathed life into all things.
God loves all that he has made.
God is almighty who loves you.
God is able to uphold and rescue you.

Library Books

Please could you check in lockers, under beds and on bookcases to ensure all Library books are returned before the end of term. Please see the Librarian if you wish to borrow books over the holidays.

Nursery News

This week the Rockets have been learning about 'Transport.' They spoke about all the different kinds of transport there are. They then made their favourite form of transport from junk modelling. They painted types of transport they were interested in and read books about buses, cars and trains. One of their favourite activities was role-playing a ride on a bus. The Rockets set out chairs to make a bus. There was a driver and a conductor and all the children paid their money and received a ticket to take a trip on the bus. Great fun!

The Stars enjoyed their topic exploring 'Holidays'. They had a discussion about the different items that they would need to pack in their suitcase to take away with them. They made sunglasses and their own passports. They talked about the different transport they would use to get to their holiday destination. Some children told their story about camping in a caravan and tent. The Stars played beach games too. Children were invited to bring in memories from holidays they have been on and we saw many lovely family holiday photographs and certificates children got from attending kids' club on a holiday resort.

This week we held our second Parents' Evening for the end of this school year. The Nursery staff really enjoyed sharing the children's learning journeys with the parents. It was lovely to have some personal time to celebrate each child's achievements with their parents. Both evenings were very successful and enjoyable.
