Prayers for the World Cup

All over the world people of every race and culture, rich and poor, are uniting to watch the World Cup. Father, may these days of competition encourage us to work together for a more united and peaceful world.

Lord in your mercy...

Lord Jesus, teach us to play and cheer, not only to win, but to enjoy the game and help others to enjoy it. May our competitive spirit not hurt others, but bring out the best in us all, and whatever the outcome is, may we be humble winners and good losers.

Lord, in your mercy...

Amen

Next Saturday there will only be fixtures for U12/U13 at Reeds. U14/U15 fixtures have been cancelled by the opposition.

Sea Cadet News

The Sea Cadets had a highly successful visit to Middle Hill during the weekend of 4th to 6th June. Middle Hill is the Southern Area Outward Bound and Expedition Training Centre which offers training in all aspects of expedition work from the most basic standard of camp craft up to and including the training of nationally accredited mountain instructors. The seven boys who went on the weekend received lessons in tent making, map reading and orienteering, meteorology, fire prevention and interesting local flora and fauna. Both Sam Powell and Robert Chatfield won awards during the weekend for their efforts in the various activities. Some 35 cadets from different units took part in the weekend and it is a credit to the boys to come away with this kind of recognition.

Further ahead, the New Entry Cadets are looking forward to the Boat Work Weekend on 18th to 20th June during which they will be taking part in canoeing, sailing and powerboat handling courses. We wish them the very best of luck.

Friday 18th June

GCSE Art Exhibition

Chapel Choir Tour to Liverpool

The chapel choir spent 5 days of the half term holiday on tour in Liverpool. The choristers behaved impeccably and sang superbly – easily their best performances of the year so far. During the tour the choir sang in Liverpool Metropolitan Cathedral for a lunchtime concert, and also in Chester Cathedral for the evening service. The highlight of the singing, however, was the two Sunday services the choristers sang in Liverpool Cathedral (the largest Anglican Cathedral in the world). They filled the building with a sublime sound and all enjoyed the 9 second echo! There was time for much sightseeing, including the Beatles Museum, the famous waterfront, the Ferry on the Mersey and also a tour of Liverpool Football Club where the boys had their photograph taken with one of the five European Cups! A thoroughly memorable tour, many thanks to all the staff who helped on the tour and to the choristers themselves for all their hard work representing the College.

GCSE Art Exhibition

Friday 18th June
6:00pm - 8:00pm
Auditorium

All Welcome

Lower School News

Sun Hats

School 'legionnaire' style sun hats are available from the Lower School Office, priced at £3.50. These hats are blue with the school logo.

Ms Powell asks that pupils attending After school Care should be provided with blue a sun hat from home or a standard school hat. Sun protection cream should also be applied in the morning on sunny days.

Talent Show

Entry forms, with a £1 donation for Hope and Homes for Children, should be handed into the Lower School Office by Monday at the latest. Auditions take place on Tuesday lunchtime and after school. Children will be told their audition times.

Parents' Evening

Please note that this takes place on Monday 21st June. Appointment forms will be distributed to day pupils and sent to boarders early next week.

PGL Holiday

Year 5 enjoyed an action packed week at Osmington Bay during half term.

During the holiday, children were given a taster of many different activities, ranging from aeroball to rock climbing to speeding along a zip wire at a great speed.

One of the highlights of the week was the time spent at Weymouth where children were able to spend a sun drenched morning kayaking. I have no doubt that many children will certainly remember their experiences on the Giant Swing - the looks on their faces being captured on camera. The last evening was spent at a very loud and lively disco put on by the PGL leaders.

Missing Items

George Turnbull has lost his Cricket whites and trainers which are visibly named. Please check at home in case they have been picked up by mistake.

Sports Day

This takes place next Friday, 18th June, at Fields and starts at 1:00pm. Every pupil will be involved from Year 3 to 6 and your support would be very welcome. Parking is available at Fields.

Sport

- Training next Tuesday after school - U11 'A' & 'B' Cricket Nets (Indoor)
- There will be no U9 Cricket training next Friday (due to Sports Day)
- Rounders training will continue as normal on Tuesday.

Nursery News

This week the Rockets had lots of fun with their theme which was Teddy Bears. The teddy bears hid outside in the Nursery garden and the Rockets went on a Bear Hunt to find them. They also gave the teddy bears a picnic and played party games such as musical statues and musical bumps. The Rockets also enjoyed making Teddy Bear puppets.

In the Stars group their learning focus was Rhyming Words. They played a 'words that rhyme' game and number rhymes too. They learnt the Incy Wincy spider rhyme and made their own spiders by cutting him out of black foam and sticking legs and googly eyes onto his body. The Stars also enjoyed their time with the Reception children where they told each other about the activities and fun times they had with their families over the half term holidays. The Stars also spent Friday morning enjoying activities in the Reception classroom.
