Chaplaincy Corner

The Catholic Church celebrated the festival of the Sacred Heart of Jesus on Friday 11th June. This festival reminds us of God's love reaching out to us in gentleness and compassion.

Thanks be to God for life,
for its mystery unfolding in time,
for its meaning in my own story.

Thanks be to God for the chance to serve,
to grow in wisdom today,
to love with sincere heart.

Nursery News

The Rockets have been learning about creatures that live under the sea. They have made crabs from paper plates and handprint fish which now make up a fantastic display in the Rockets room. They also had the under the sea creatures to play with in the water play tray, which they thoroughly enjoyed.

The Stars have been learning about different types of recycling. They were all given recycling packs with stickers to mark up the bins at home to separate where the paper, plastics and glass are to be collected to be recycled. They were also given notepads and pencils made completely out of recycled materials. The children now recycle paper in their room by putting it in the recycling bin. They shredded up used paper to put in the compost bin with their fruit remains.

They have also enjoyed the time spent with Reception class. The Reception children have entertained the Stars by singing the songs they have learnt which they will sing at the End of Year Celebration.

All the children in the Nursery have enjoyed making their Daddies a Father's Day card. We would like to wish all our Dads a fabulous and relaxing Father's Day this Sunday 20th June.
