Netball Fixtures

We are pleased to publish the Netball fixtures for this term.

Unfortunately, we were unable to publish before as local state school consortiums had not finalised their fixture lists.

Netball Scores

U13 v Bohunt - A pleasing victory for the Under 13's beating Bohunt 11-6. Some fantastic team netball was played. Player of the match - Caragh O'Shaughnessy who was outstanding in the mid-court

U14 v Bohunt - A tense match that went down to the last few minutes. Unfortunately the Under 14's went down 7-6 but worked hard until the very end. Player of the match - Michelle Ezeuko.

Parents of Pupils from Year 6 and 7 are especially encouraged to join us on this evening for a tour of the school.

We look forward to seeing you there.

NETBALLER OF THE WEEK

KATIE BEST

She has absorbed and incorporated everything asked of her into her game.

1st X1 Football

SJC **7 - 0** Ports College

The 1st X1 had a very positive start to the season with a resounding 7-0 victory against Portsmouth College.

A debut goal by Callum Lynch and 2 strikes from Joe Stevens put the team into a commanding half-time lead.

The quality of the football improved against the wind with Ollie Spence, James Woolley (2) and James Freeman adding to the goals tally.

Scorers: J Woolley (2), J Stevens (2), O Spence, J Freeman, C Lynch

Man-of-the-match: Ollie Spence

Lower School News

Based on Isaiah 43

As we begin the journey of our school year

*The Lord says: Do not be afraid, you are my people
we belong together, I have named each one of you.*

*When we are out of your depth I am still with you
when the waters are rough you will not sink.*

*Because I am God, you cannot sink beyond my care
I will always sustain you on the journey of life.*

*So do not be afraid, I am with you each day
I will gather all that has been scattered,*

*I will bring you home to the heart of God
I made you to be with me forever.*

Glory be to the Father...

Charity Special

Sponsored House Challenge Day - Friday 25th September

Your child has been given a sponsor form to complete for this event. Please help them gather as many pledges as possible from friends and family. This should be returned to class teachers by Thursday 24th. Children will complete a range of challenges in House teams during the morning and should arrive in correct clothing. Preps should wear house games shirts (boys), PE tops (girls) and school tracksuits. Pre-preps should wear PE kit and tracksuits. During the afternoon Pre-Preps will walk to Southsea Common for team games and the Preps will be taken swimming at the Pyramids. Should you not wish your child to participate in these activities for any reason, please let Mr Shruballs know.

Hope & Homes for Children

This is our chosen charity for the Challenge Day. Their 'Unleash Your Potential initiative encourages children to discover their talents to help unlock the potential of some of the most vulnerable children in the world - children who have no home to live in or family to support them, who live in bleak state-run institutions or orphanages in Central and Eastern Europe. Thank you for your support.

Shoe Box Appeal

Each year we support the Rotary Club in their appeal to help children in similar situations in Central Europe and Africa. In October, we will be asking pupils to bring into school decorated shoe boxes filled with items for these children. Please start collecting shoe boxes now...we need them!

MacMillan Support Day - Friday 25th September

Parents are welcome to join us from 9:00am (amended time) in the Lower School Hall. There will be a home-made cake competition judged by an eminent cake-tasting expert and a raffle for a champagne prize! This is a great opportunity to get together at the start of term and also raise some money for a great cause.

Harvest Festival

Parents are very welcome to join the Lower School for our Harvest Festival on Friday 2nd October at 9:00am in the New Benildus Hall. Once again we are delighted that a representative from the Salvation Army will be attending to collect food items for the very needy in our city. Year 3 will lead our service and the Choir will be singing too. We would ask parents and pupils to donate 'long life' items such as tins and packets of food for distribution. These items should be brought into the Lower School Office during the next two weeks. Let's hope to collect as much as we usually do and once again we thank you for your support.
